DETAILED ACTION

Allowable Subject Matter

1. Claims 1-42 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 38, the prior art of the record fails to show or fairly suggest a combination mobile terminal and camera comprising an image sensor fixedly disposed within said housing for converting images formed by light on said image sensor into electrical signal; a movable optical system for selectively directing light passing through said first and second light apertures onto said image sensor, in combination with other claim elements.

Claims 2-15 are allowable for the reason given in claim 1.

Claims 39-42 are allowable for the reason given in claim 38.

Regarding claim 16, the prior art of the record fails to show or fairly suggest a camera comprising an image sensor fixedly disposed within said housing for converting images formed by light on said image sensor into electrical signals; a movable optical system for selectively directing light passing through said first and second light apertures onto said image sensor, in combination with other claim elements.

Claims 17-28 are allowable for the reason given in claim 16.

Regarding claims 29-32, see Examiner's statement of reasons for allowance as indicated in Paper mailed on 05/04/05.

Regarding claim 33, the prior art of the record fails to show or fairly suggest a method of directing multiple images through multiple apertures onto an image sensor comprising recording a first image by directing the first image through a first aperture onto a the movable mirror
